WHO WE ARE ?

At Zodiac Lighting, we love to illuminate your space creatively with elegant, no matters indoors and out.

We carry a wide array of top tier lighting brands across the world, and we continually scour the globe for high-quality designs and materials to bring you a unique collection of premium lighting products. You can find the best lighting solution to cast

just the right glow in just the right style for every design.

Whether you're a professional designer or a lighting enthusiast, our team of lighting experts can help with every stage of your lighting project.

Our goal is simple, provide you with exceptional lighting solutions to ensure you get just the right light.

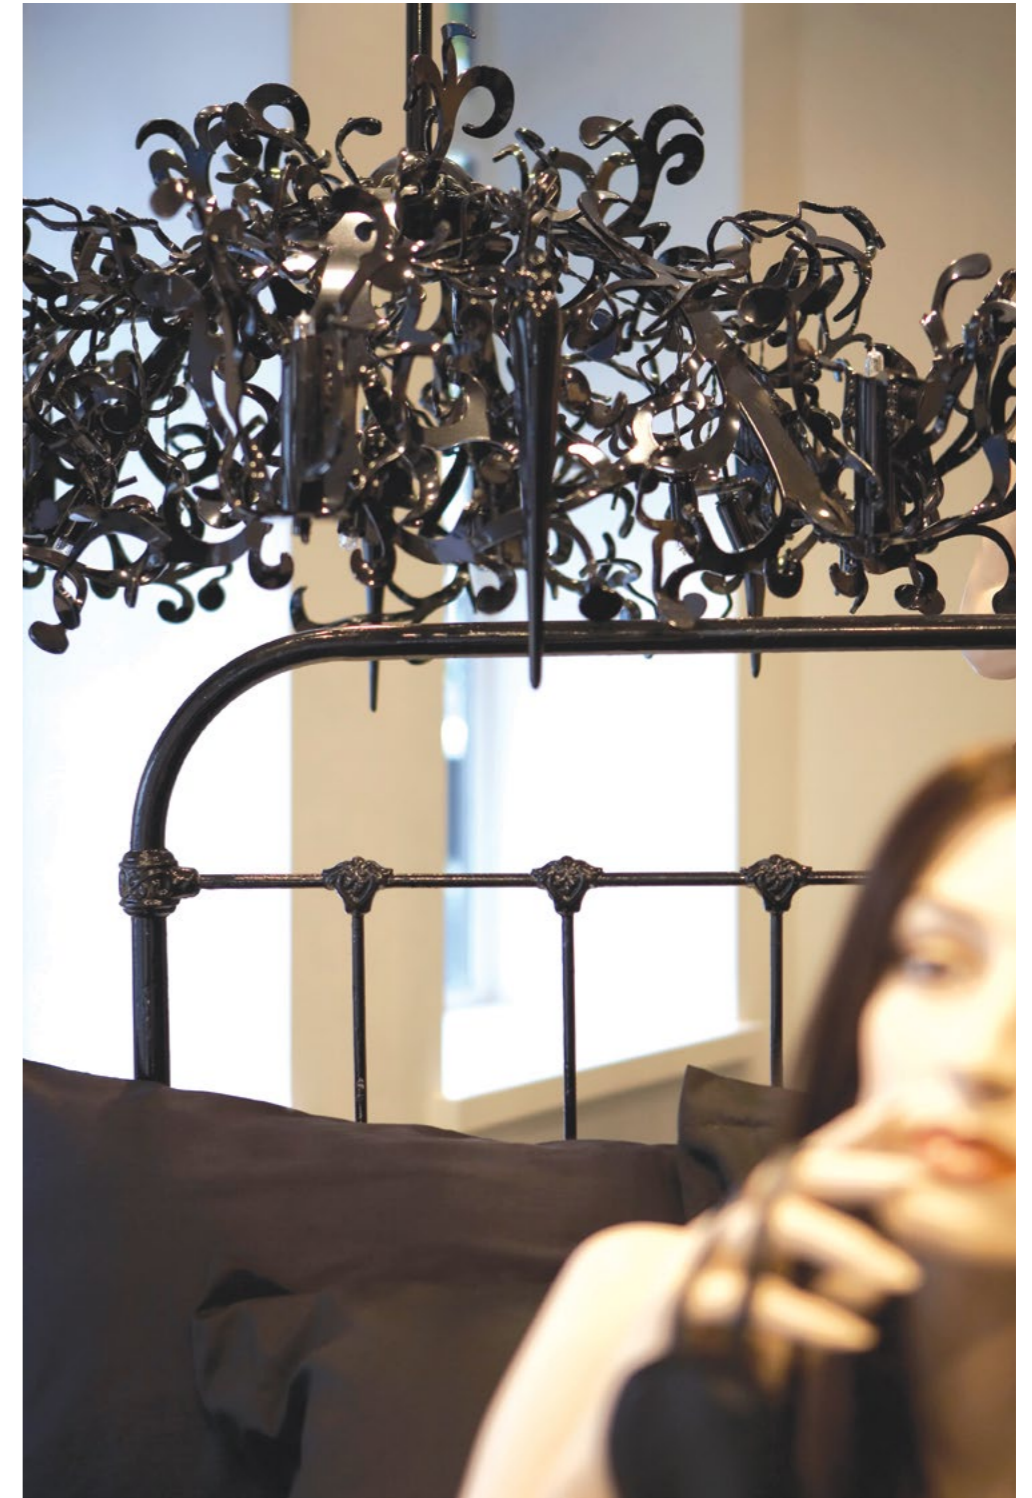

Hospitality

Decorative lighting not only to contribute to the layers in a hospitality environment, but also to enhance the look of the space as a design element.

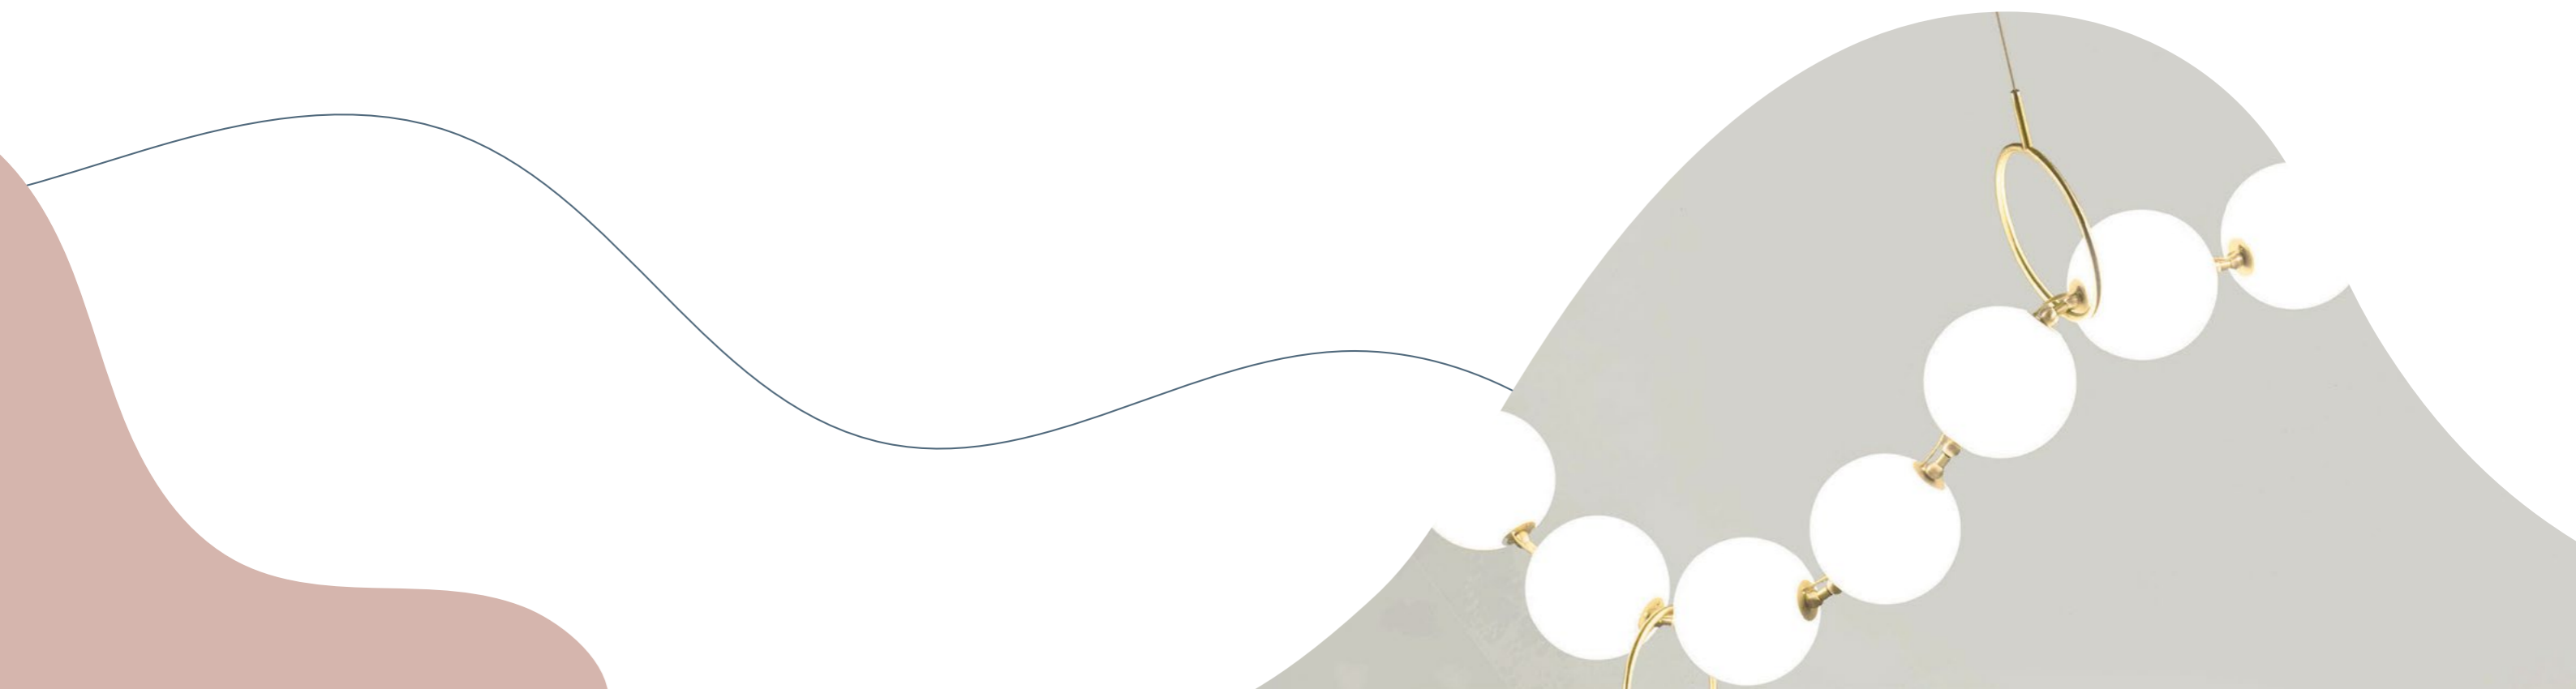

Public Area

The public realm is warmly lit by decorative fixtures can create a unique identity with atmospheric visual experiences.

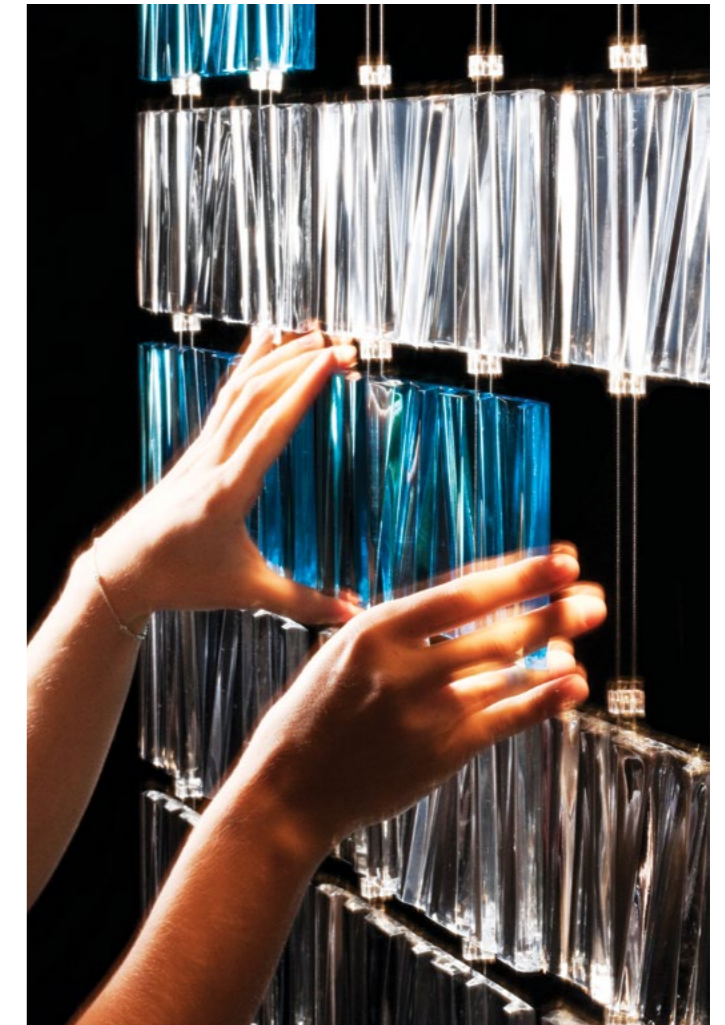

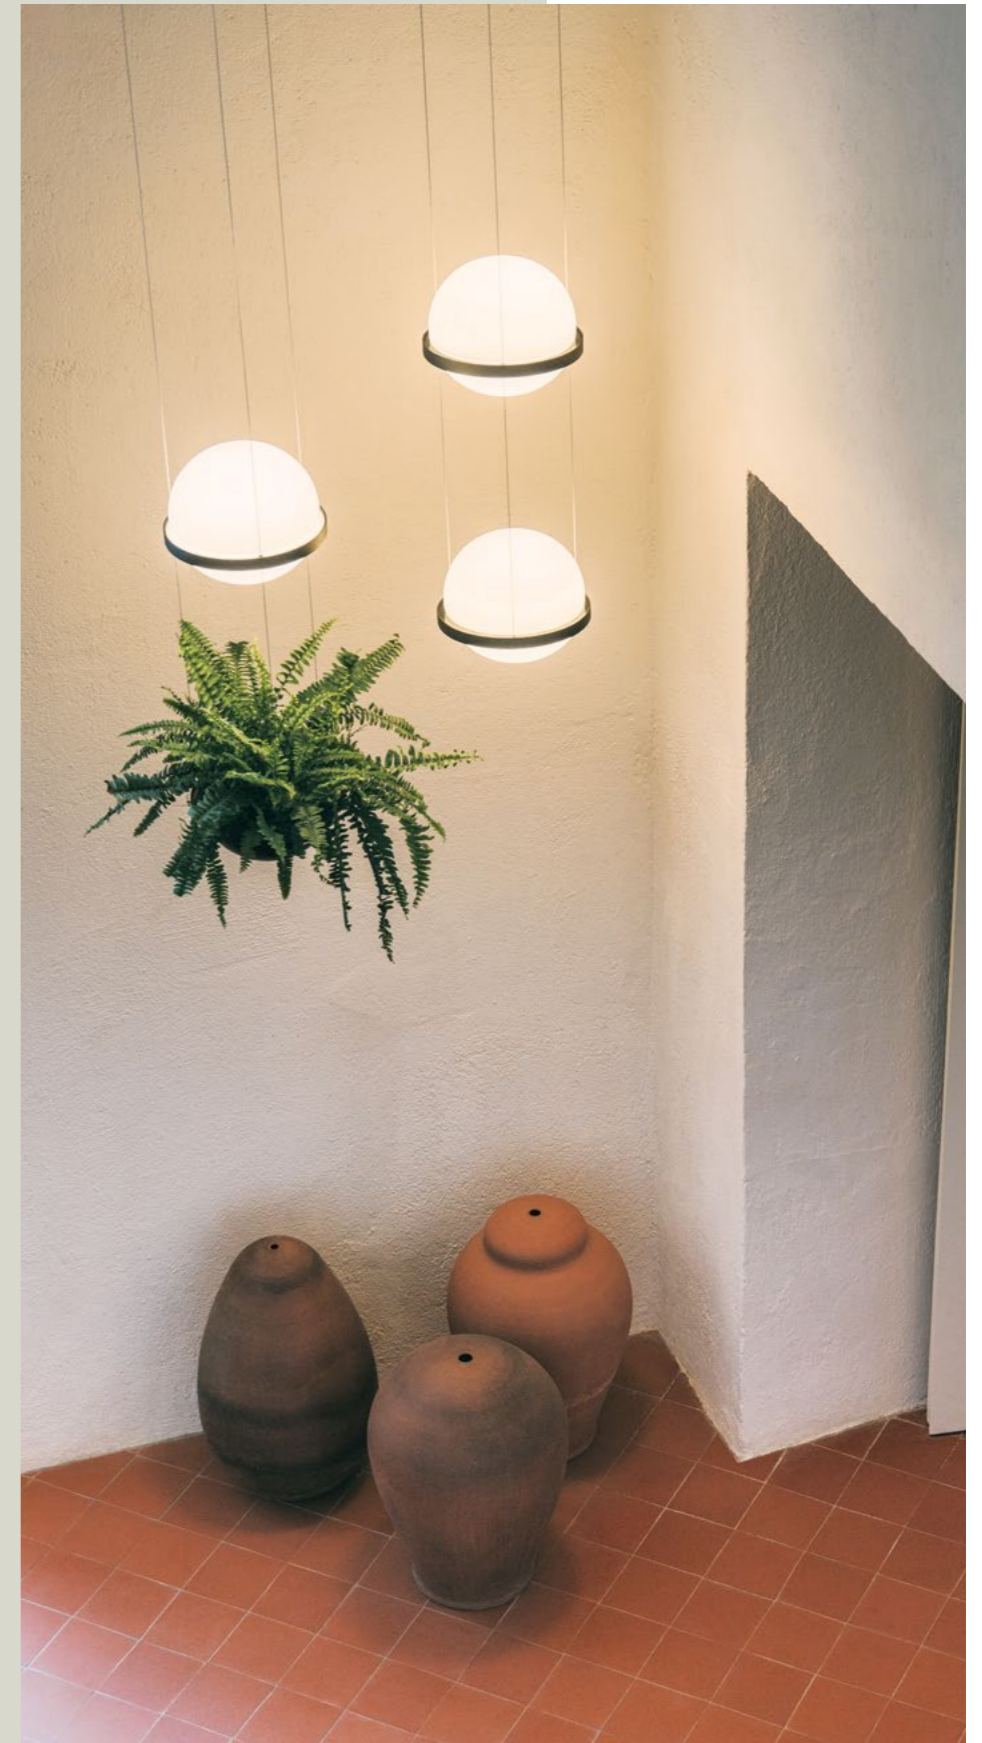

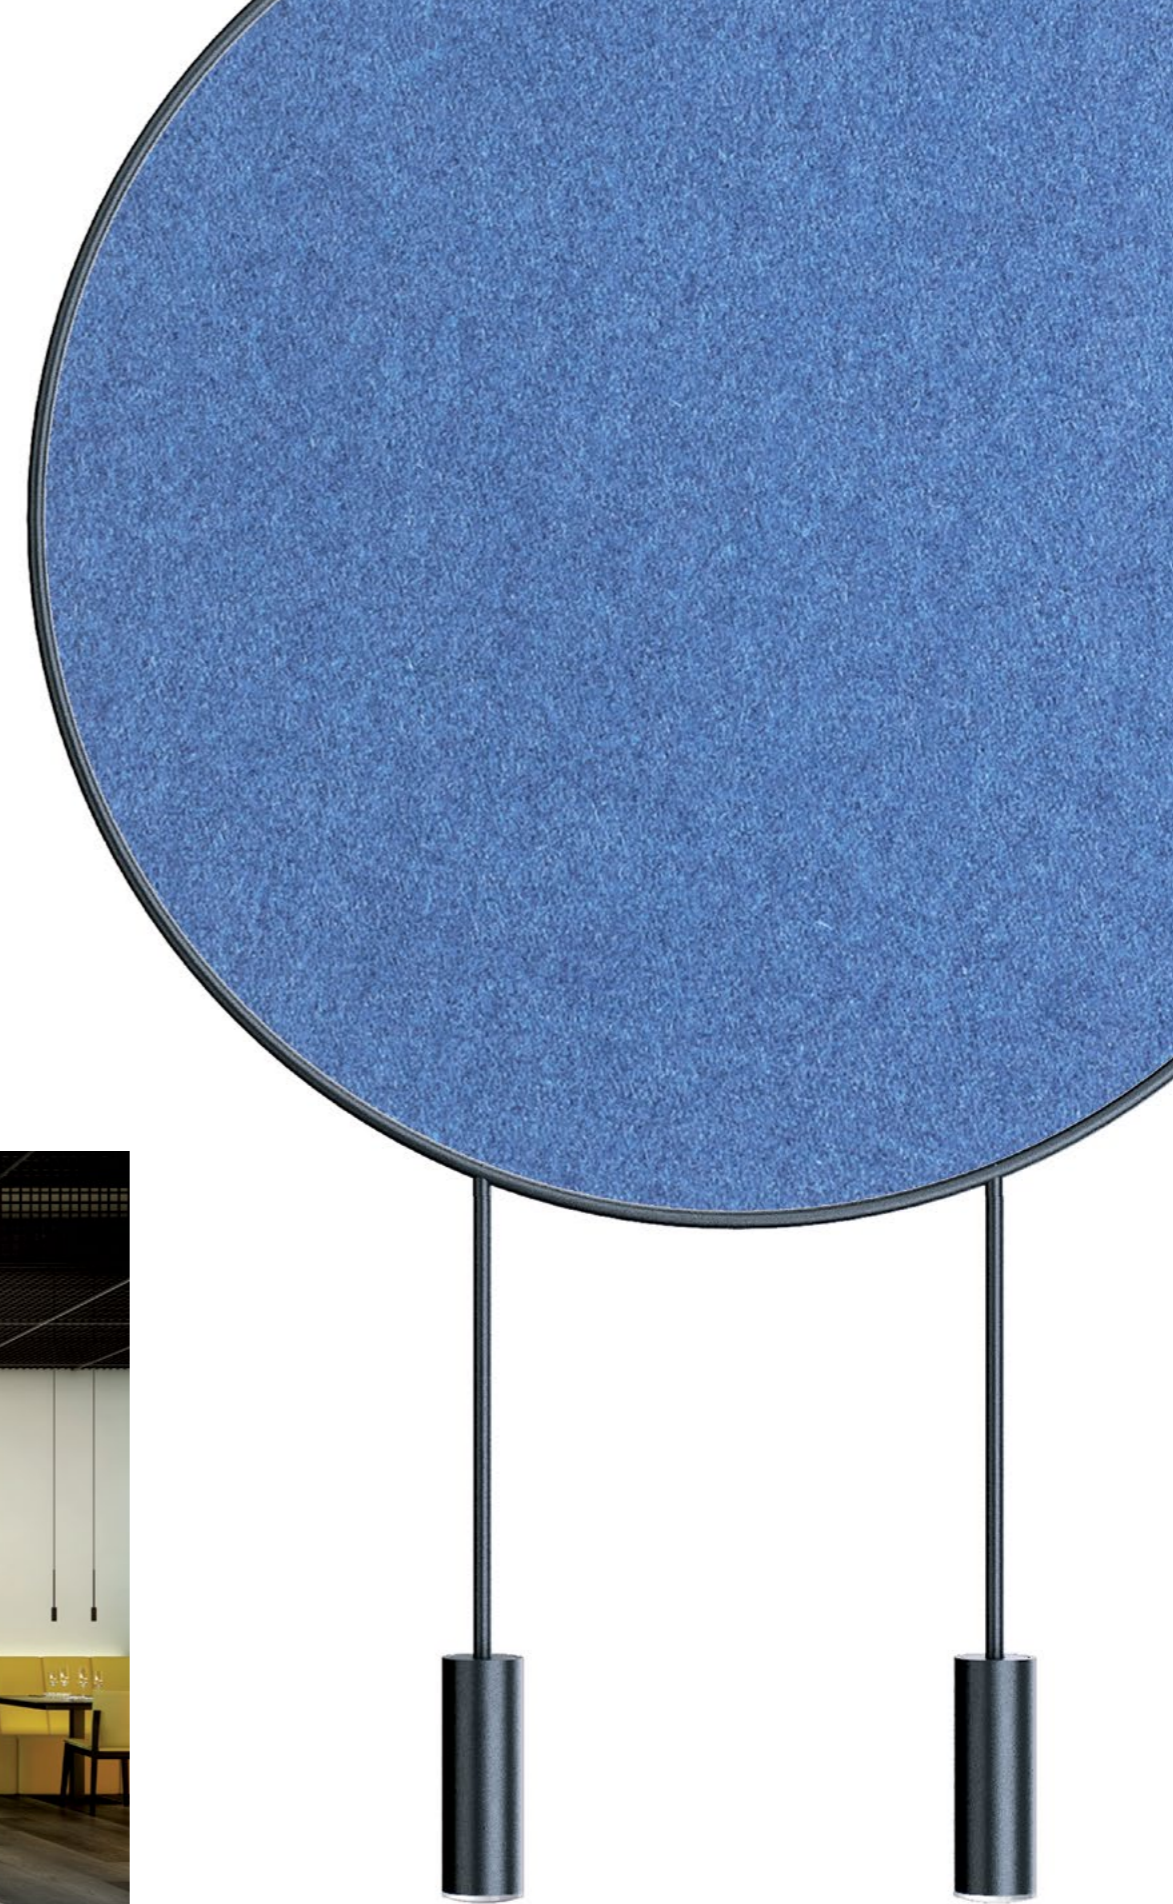

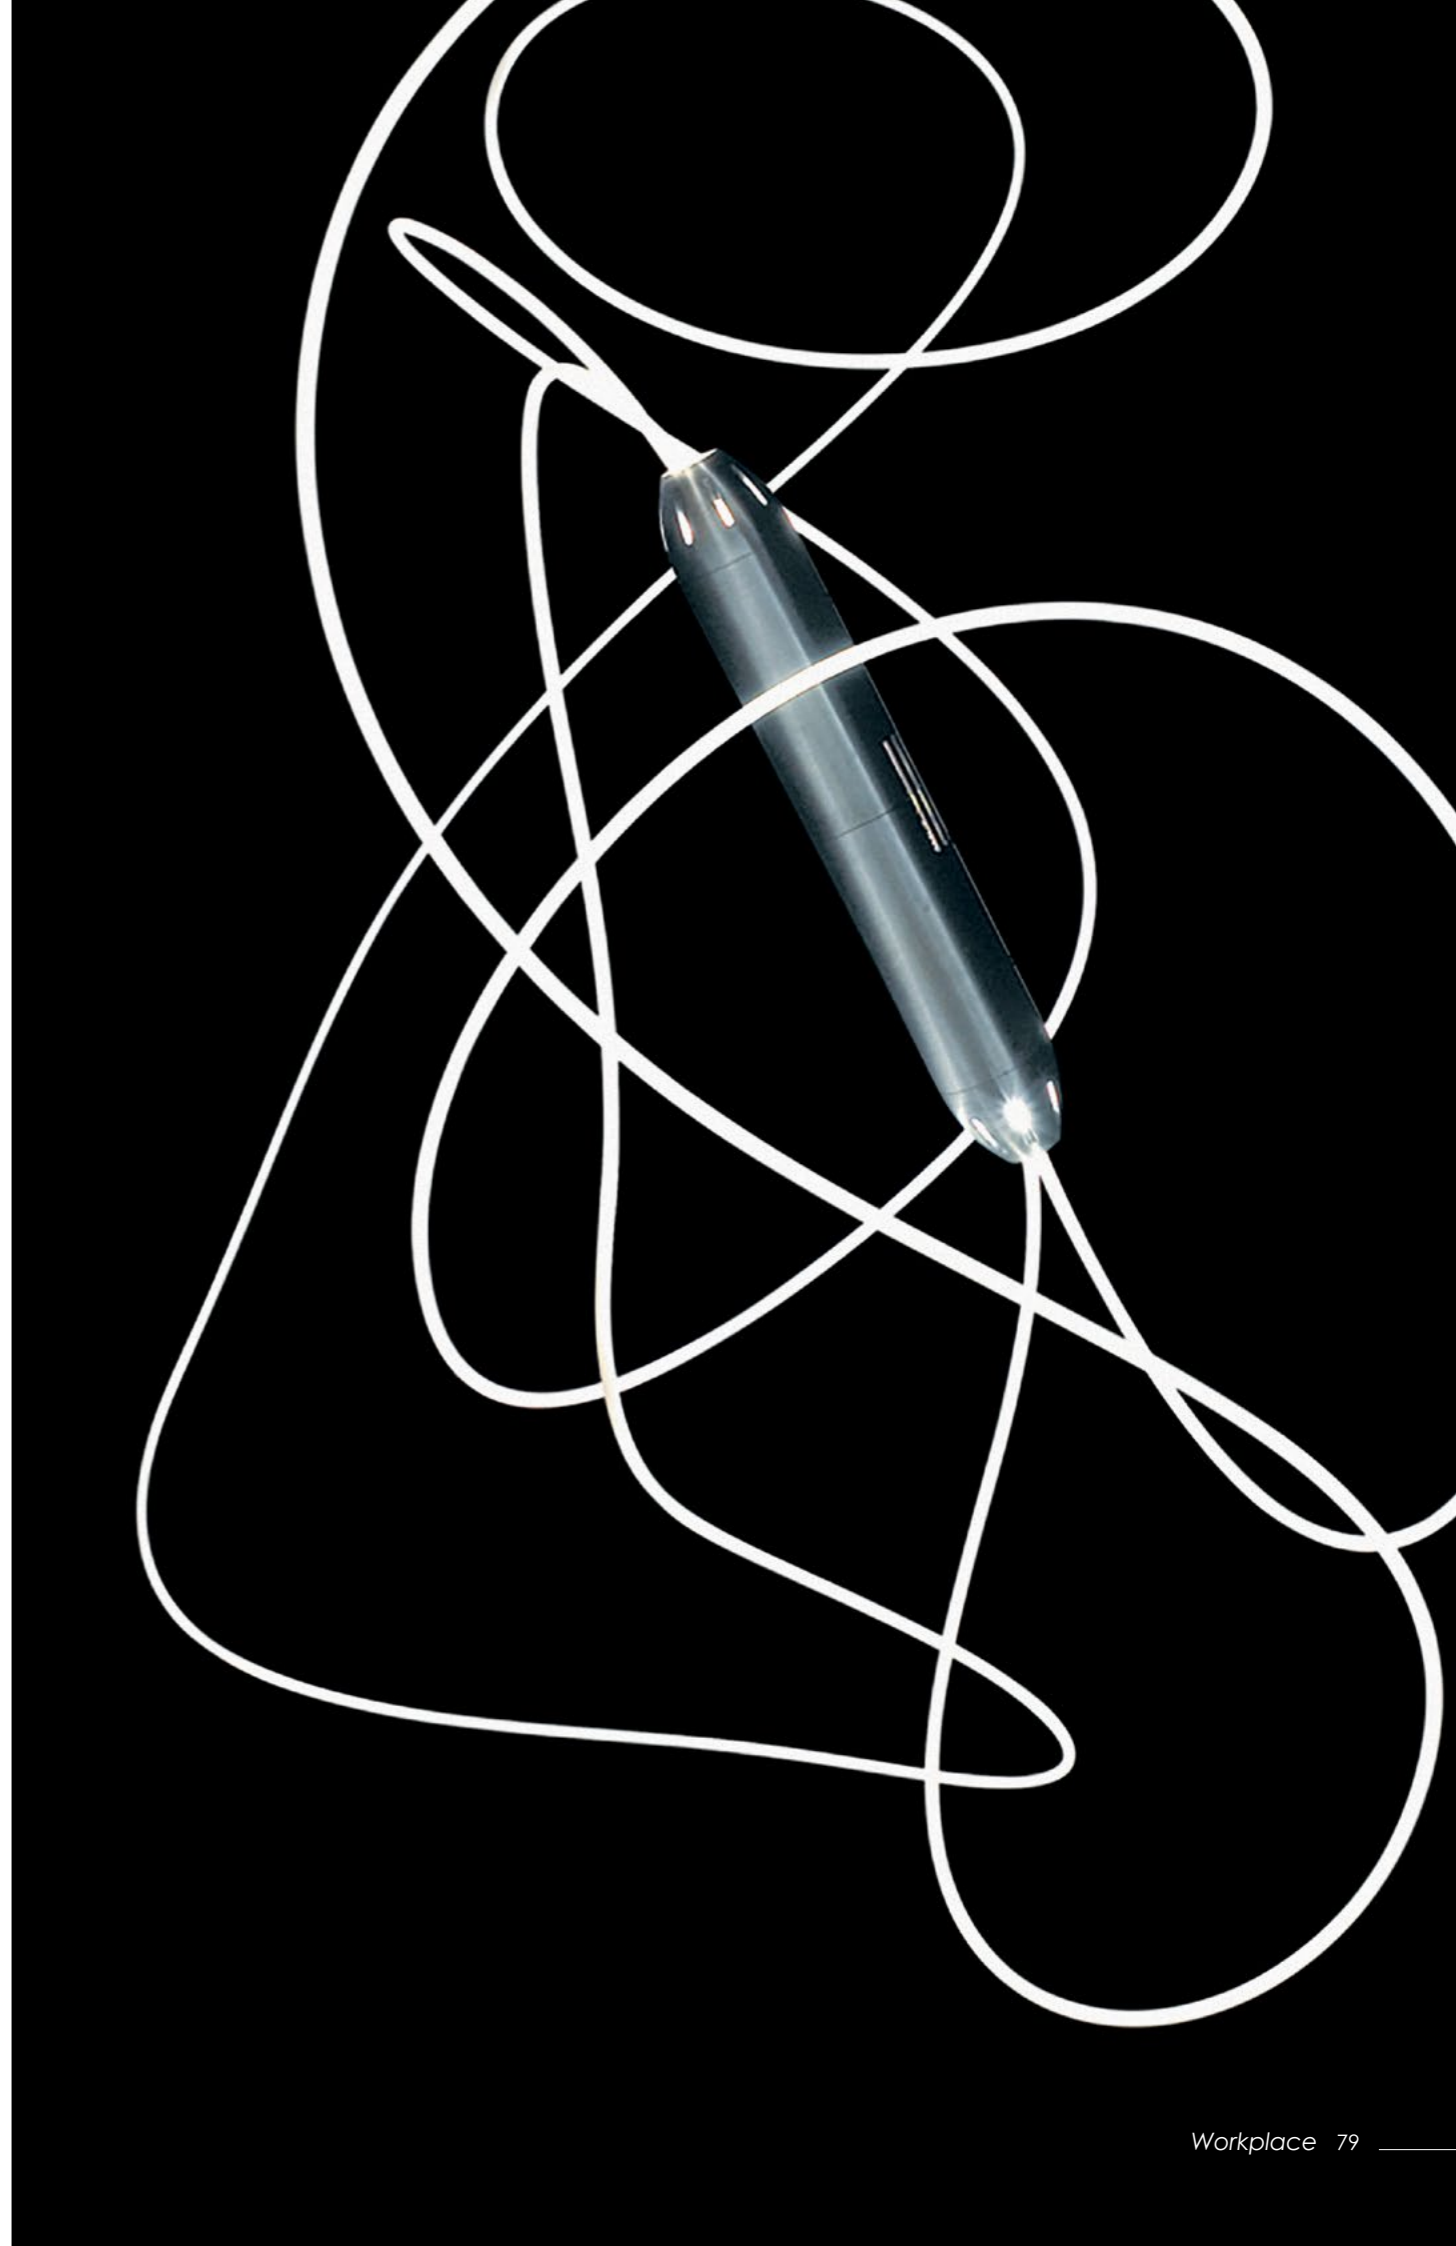

Workplace

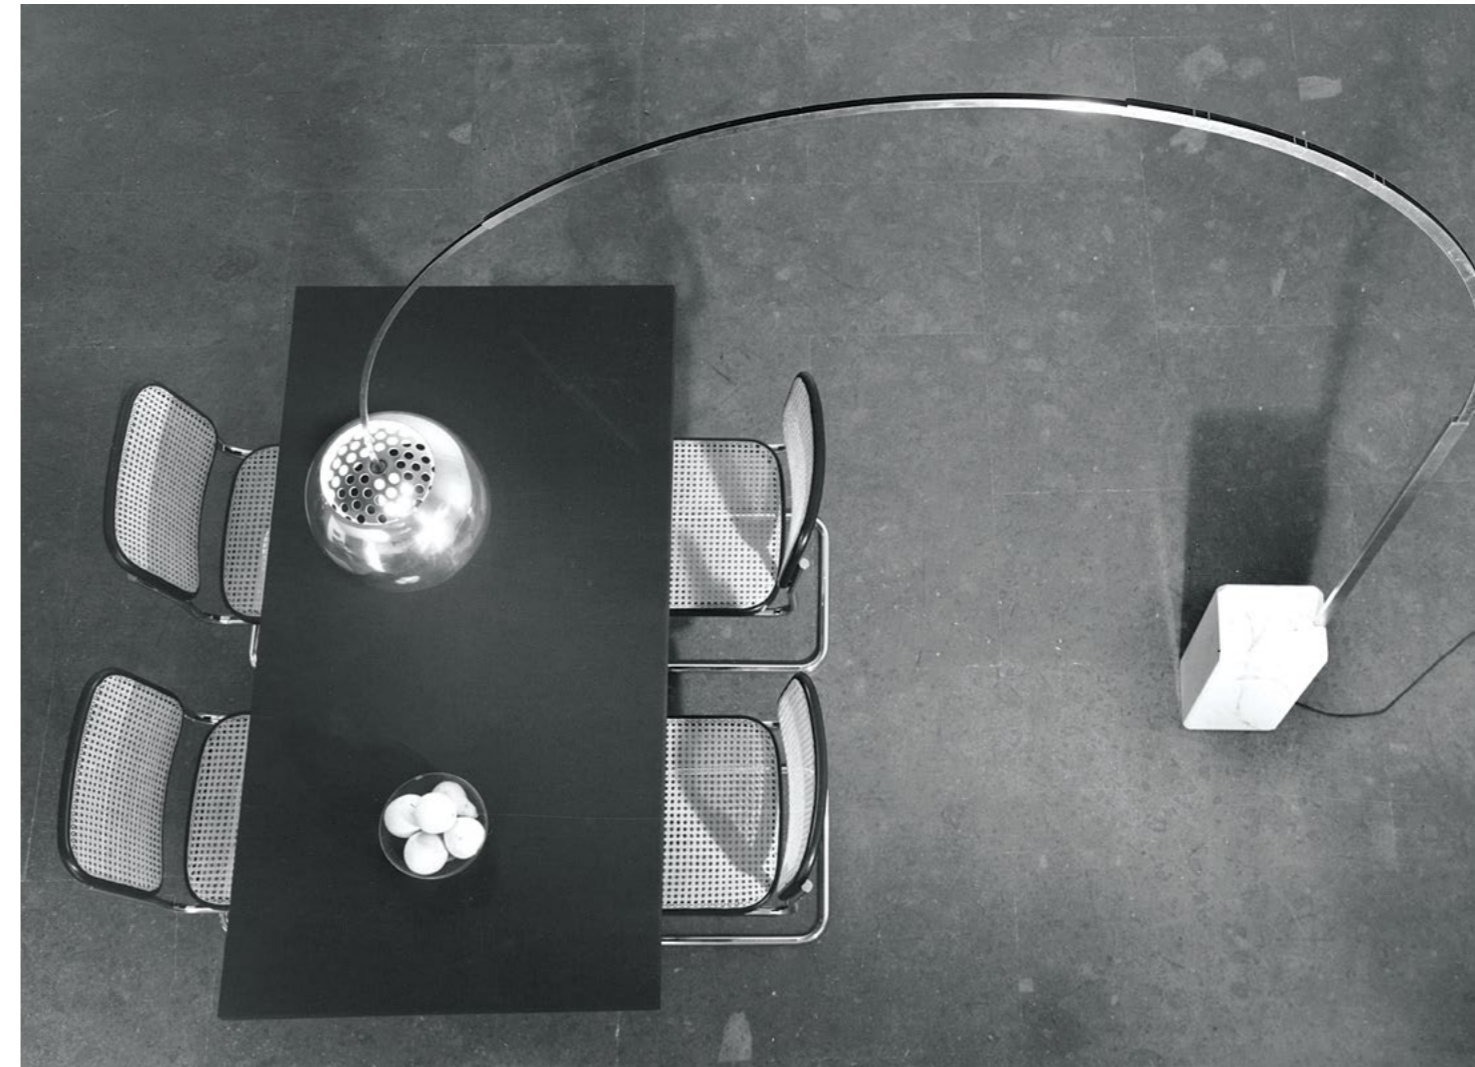

A striking workspace design has the potential to influence a company's reputation. It can help attract ambitious talent, improve office morale and impress clients.

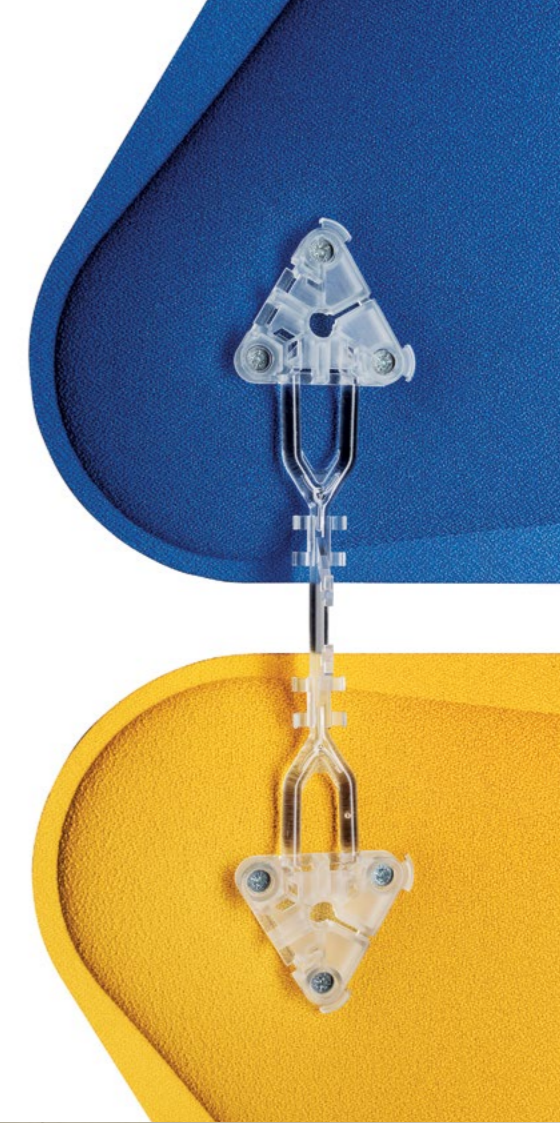

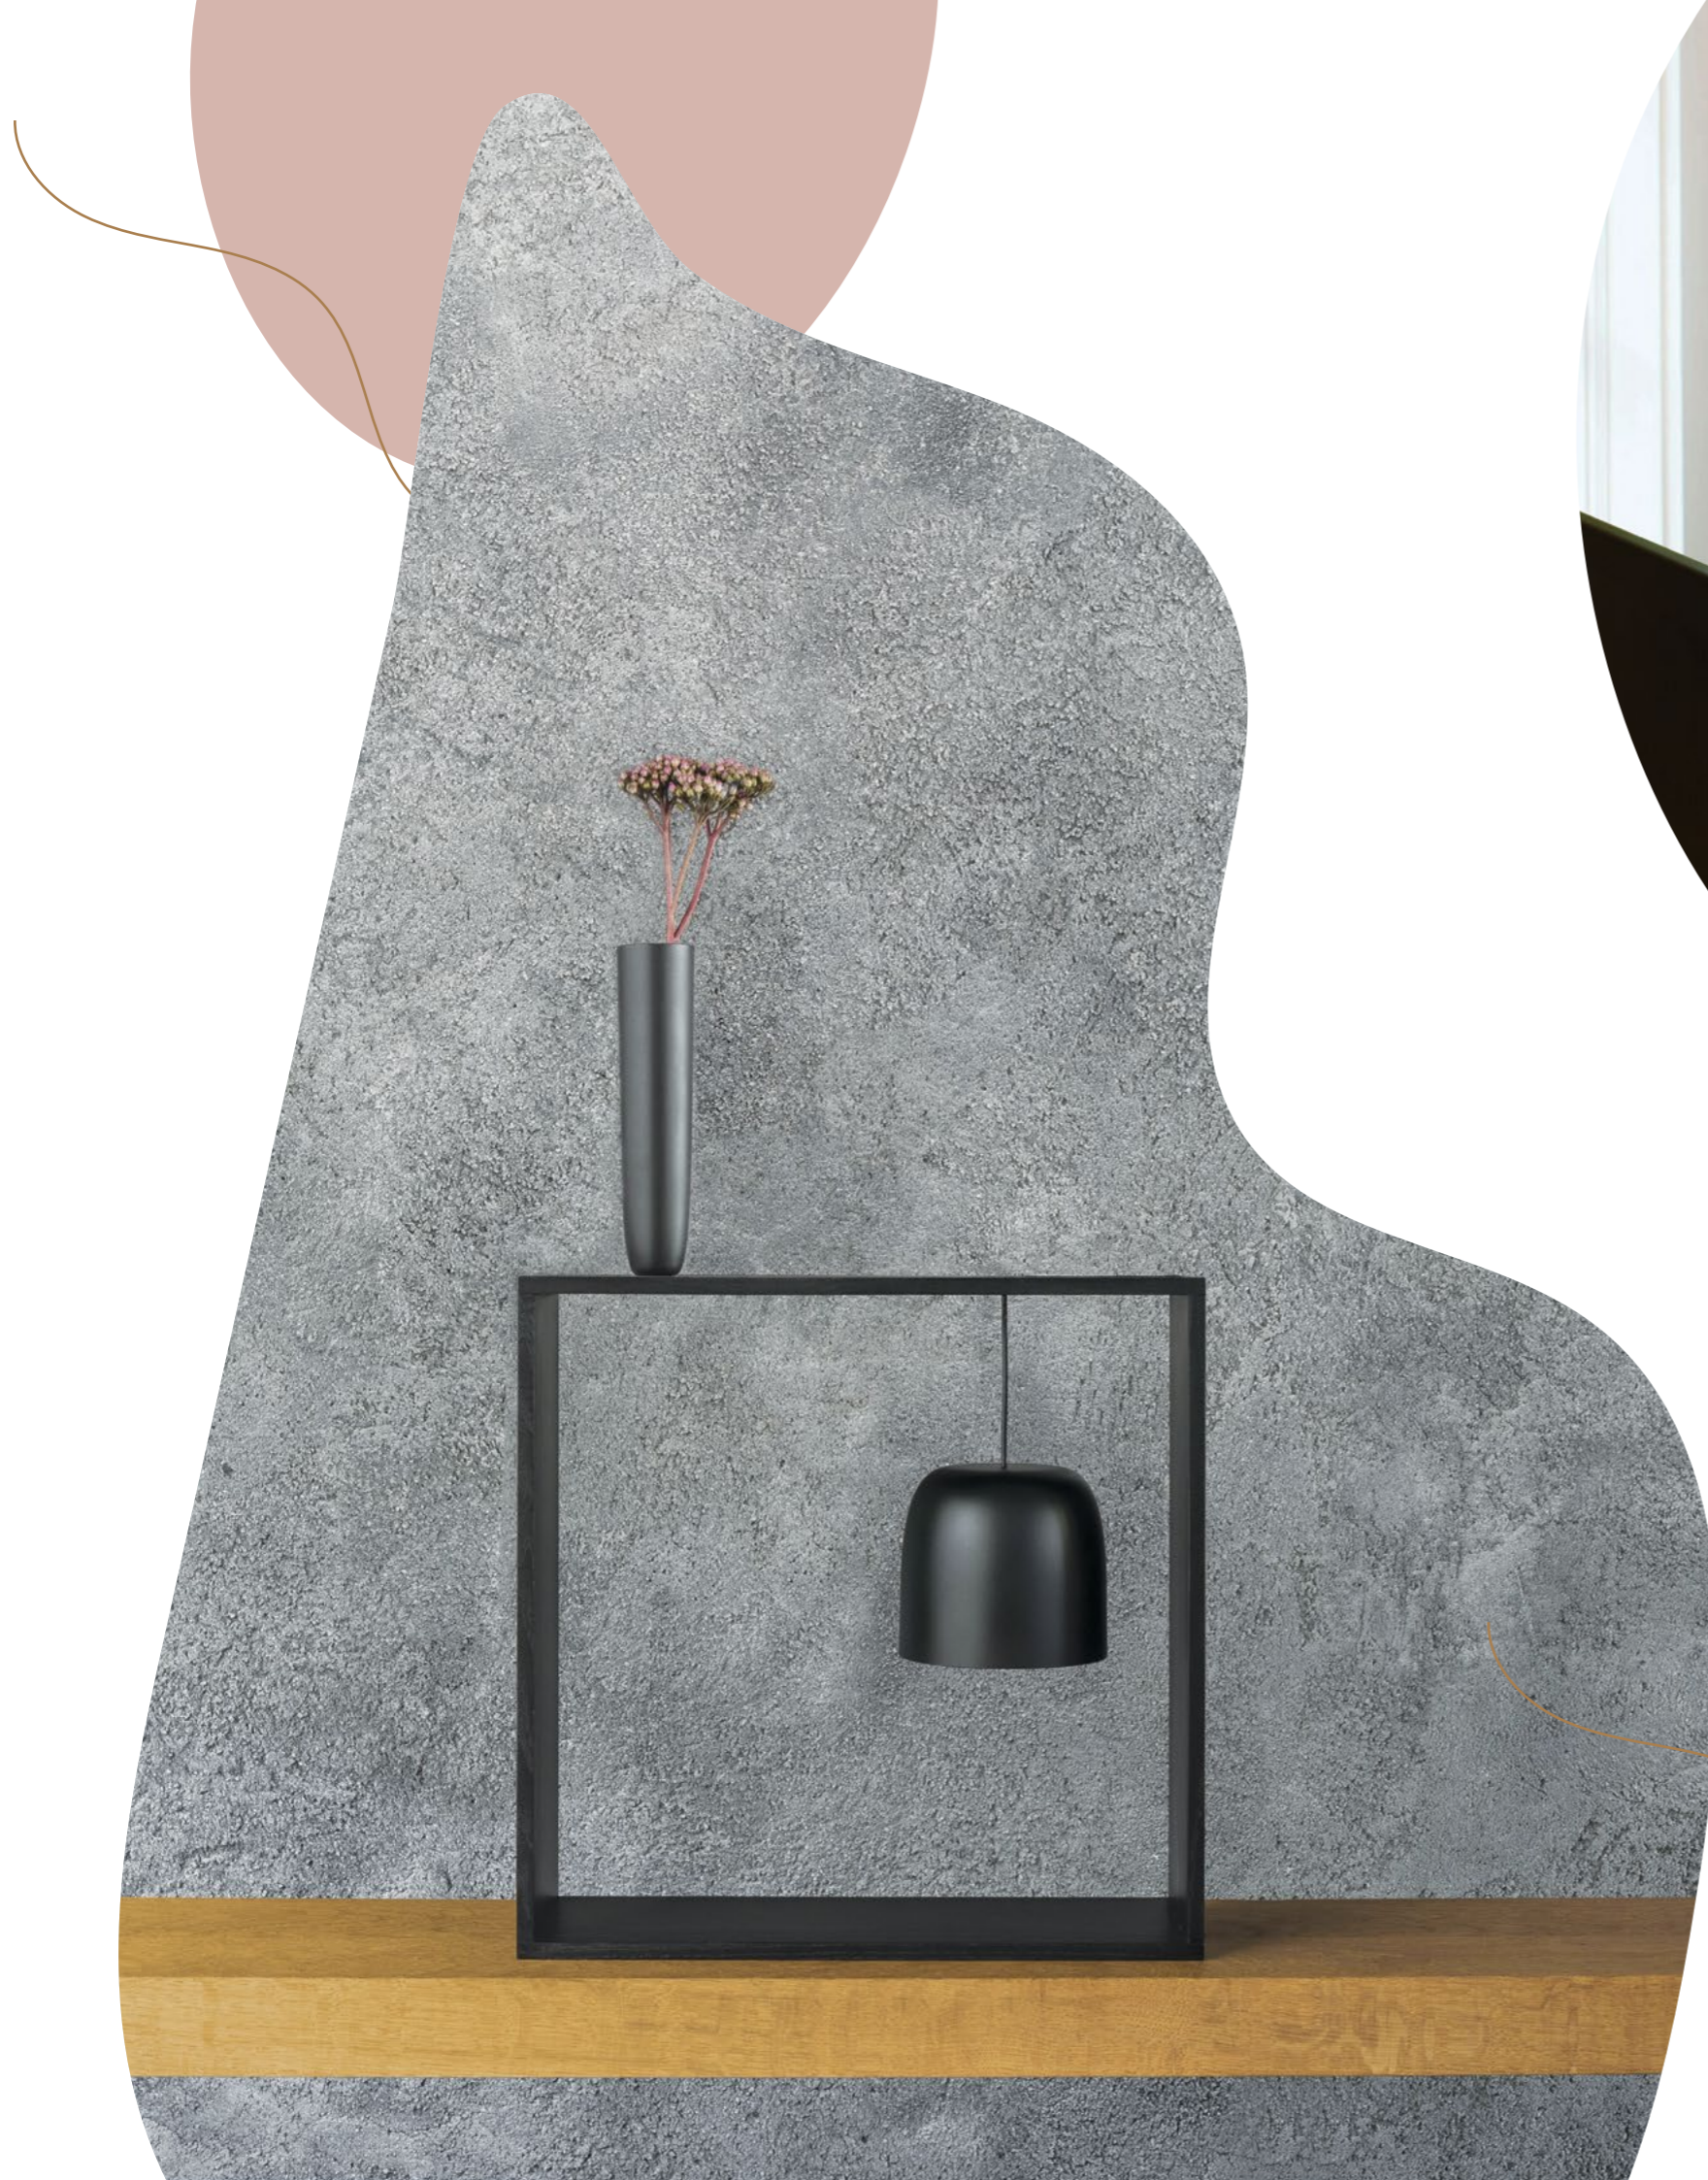

Residential

The right light lifts the mood, inspires productivity and motivates us. Light enlivens the little things — it is the time for home.

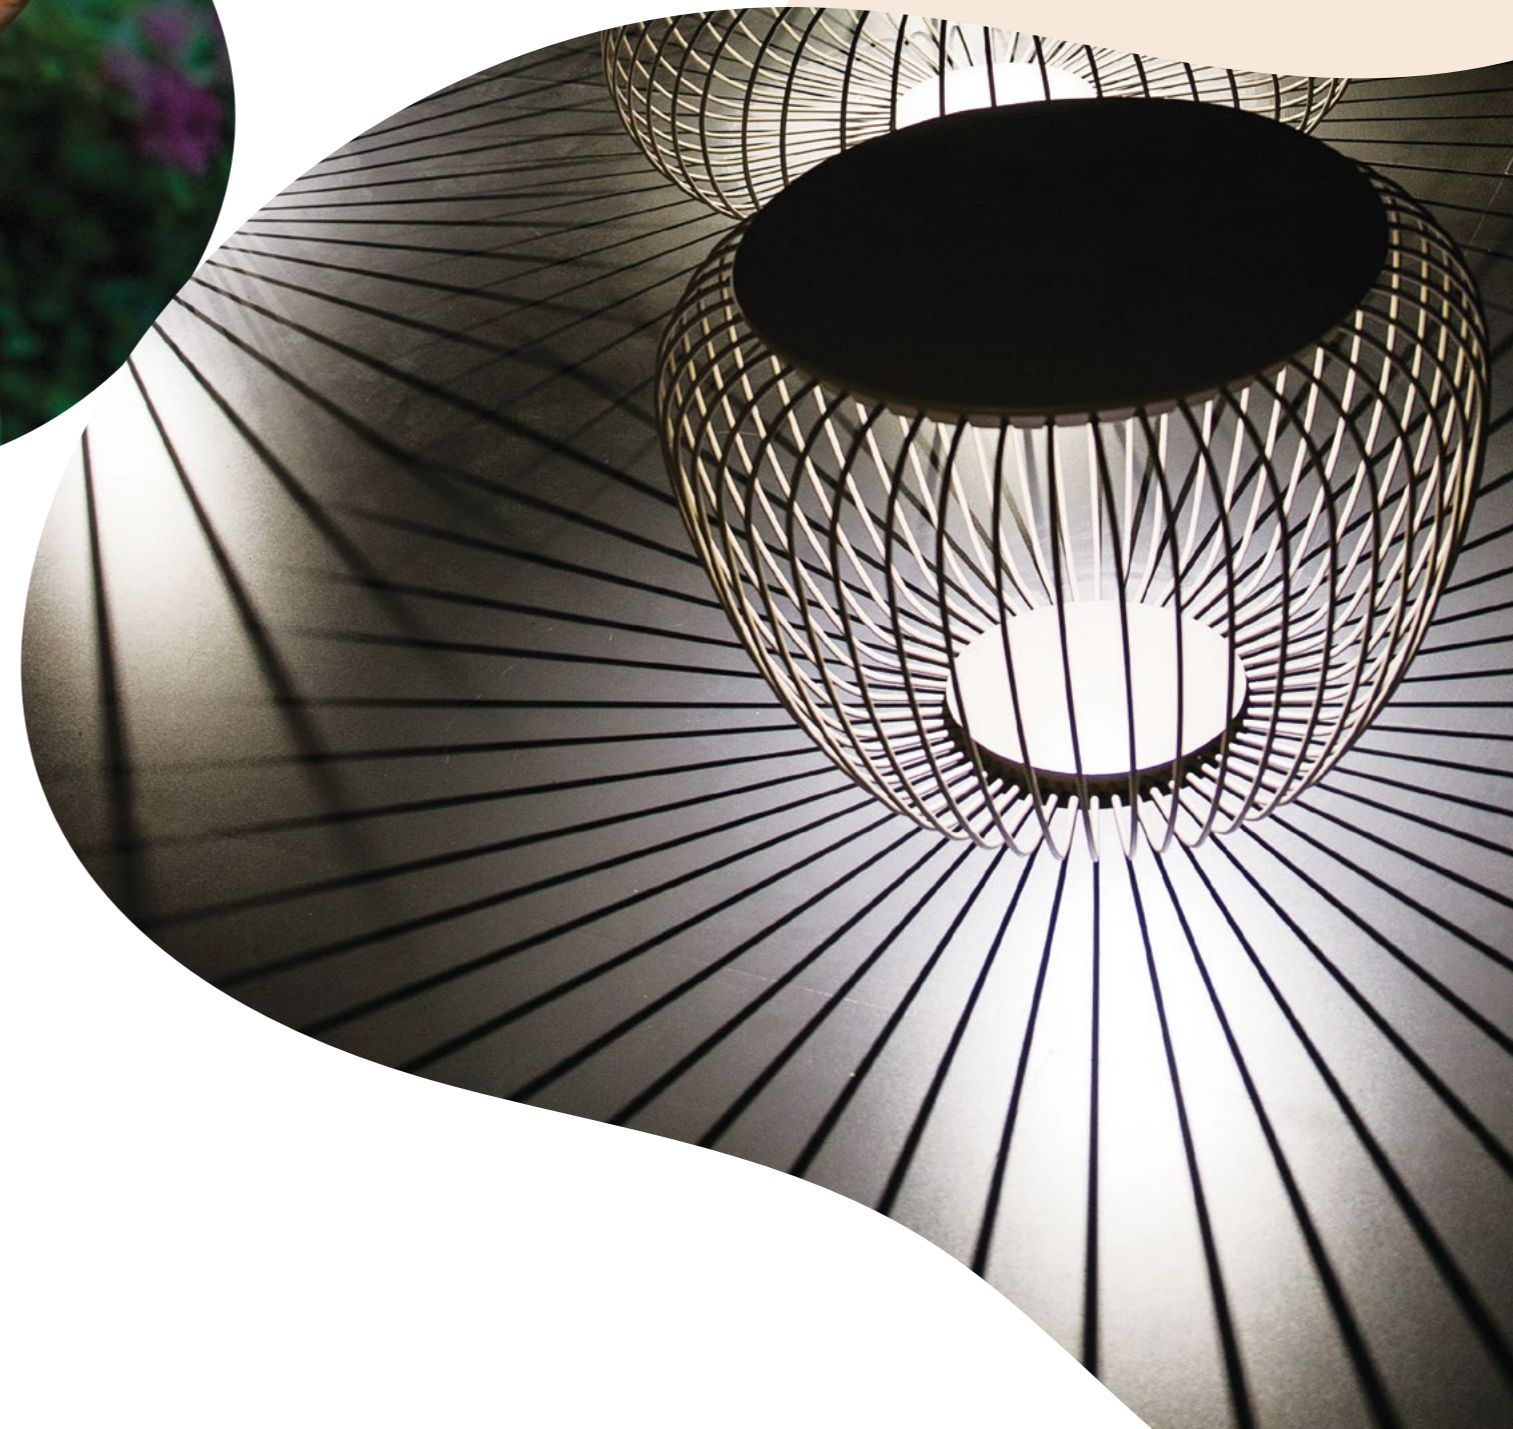

Landscape

A well-lit landscape with decorative lighting is the cherry on top of the cake - that extra sparkle that catches the eye and contributes to a magical space.
